

# LESS STUFF FOR MORE LIFE

## Downsizing TIPS FOR YOUR NEW MOVE

### ■ Plan for your new space

Request a floorplan and evaluate how much space you'll have to help you decide what will fit.

### ■ Take it slow

Have your packing supplies ready and focus on one room or area of the house at a time.

### ■ Sort it out

Stay organized by dividing items into categories such as:

- Keep
- Donate or Gift
- Sell
- Throw Away or Recycle

### ■ Find a way to let go

It's emotional to part with treasured items. Consider gifting to family or friends, donating to a worthy cause and taking photos of these items to make the process easier.

### ■ Bring friends

Downsizing is more manageable, and a bit more fun, with friends and family to help and reminisce.

Be You • Be Vibrant • Belong
